SUBJECT INDEX, VOLUME 141

<i>Abies balsamea</i> , facilitates eastern hemlock?	391
<i>Acacia gregii</i> , infected by desert mistletoe	358
Alabama, host-attracting behavior of mussels	149
<i>Ambystoma tigrinum mavortium</i> , characteristics of new population from South Dakota	124
Amphibians, morphometric analysis in <i>Plethodon</i>	266
diet of Ouachita dusky salamander	398
paedocannibal barred tiger salamanders	124
<i>Argiope trifasciata</i> , behavioral response to foraging gain	238
<i>Aster vimineus</i> , flower color cues pollinators	59
Behavior, flower color as cue to pollinators	59
aggressive of <i>Peromyscus leucopus</i>	366
host-attracting mussel	149
response of garden spider to foraging gain	238
<i>Bipalium adventitium</i> , lumbricid prey of and predators of	305
Birds, habitat area affects occurrence in grassland in beaver ponds	158
in riparian buffer strips	172
nest predation in woodlots	284
ring-necked pheasant range, habitat and mortality	185
<i>Bison bison</i> , combustion of fecal pats	12
effects of stream crossings on macroinvertebrates	253
<i>Carya ovata</i> , growth response to sun patches	69
<i>Ceanothus herbaceus</i> , growth and reproduction	51
<i>Cryptotis parvus</i> , from Florida Keys	411
<i>Desmognathus brimleyorum</i> , diet	398
<i>Drosera capillaris</i> , fire, competition, disturbance effects on regeneration	28
<i>Dreissena polymorpha</i> and <i>D. bugensis</i> , siphonal anatomy	402
Ecology, animal	
aggressive behavior of <i>Peromyscus leucopus</i>	366
bird nest predation in woodlots	284
birds in beaver ponds	158
birds in riparian buffer strips	172
bluespotted sunfish, life history	345
cattle grazing effects on salt desert communities	1
cold hardiness of wooly bear caterpillar	293
colonization of bedrock by mussels	209
combustion of bison fecal pats	12
diet of Ouachita dusky salamander	398
effect of bison stream crossings on macroinvertebrates	253
effects of habitat area on grassland birds	339
flower color as cue to pollinators	59
forest fragments, islands or habitats for mammals	115
food limitation on <i>Vanessa cardui</i>	315
lumbricid prey of flatworm	305
predation on turtle	198
raccoon growth rates and body weights	19
ring-necked pheasant, range, habitat, mortality	185
Ecology, plant	
balsam fir facilitates hemlock	391
biomass dynamics and sexual reproduction in prairie	227
burning effects on oaks in long-leaf pine forest	85
desert mistletoe infecting catclaw	358
colonization by invasive shrub	43
comparative life history of <i>Senna</i> spp.	381
fruit set and sex expression in horsenettle	247
grassland fir and bison fecal pats	12
growth and reproduction of <i>Ceanothus herbaceus</i>	51
growth responses of shagbark hickory	69
influence of inundation and overstory on ground-layer vegetation	323
pollinators use flower color of <i>Aster vimineus</i> as cue	59
regeneration of <i>Drosera capillaris</i>	28
rejuvenation of leaf-senescent seedlings of northern blazing star	212
succession at Mount St. Helens	101
response to mowing and fire of <i>Zizina aurea</i>	373
<i>Enneacanthus gloriosus</i> , life history	345
Evolution, fruit set and sex expression in horse-nettle	247
morphometric analysis in <i>Plethodon vandykei</i> group	266
Fire, buffalo pats	12
<i>Drosera capillaris</i>	28
oaks in long-leaf pine forest	85
Fish, bluespotted sunfish life history	345
Florida, record of <i>Cryptotis parvus</i> from the Florida Keys	411
Genetics, compatibility in <i>Houstonia</i>	217
polymorphism in fishers	406
Georgia, burning effects on oaks in long-leaf pine forest	85
compatibility in <i>Houstonia</i>	217
<i>Houstonia longifolia</i> and <i>H. serpyllifolia</i> , compatibility	217
Illinois, effects of habitat area on grassland birds forest fragments, islands or habitats for mammals	339
predation on turtle	115
198	
Indiana, aggressive behavior of <i>Peromyscus leucopus</i>	366
colonization of bedrock by mussels	209
Insects, cold hardiness of wooly bear caterpillar	293
larval food limitation on <i>Vanessa cardui</i>	315
Invertebrates, other than insects	
behavioral response of garden spider to foraging gain	238
colonization of bedrock by mussels	209
<i>Dreissena</i> siphonal anatomy	402

effect of bison stream crossings on macroinvertebrates	253	diet of Ouachita dusky salamander	398
host-attracting behavior of mussels	149	Parasites, helminths on <i>Uta stansburiana</i>	204
lumbricid prey of and predators on a flatworm	305	desert mistletoe infecting catclaw	358
reproduction of <i>Megalonaia nervosa</i> in a non-reproducing population	140	Pennsylvania, cold hardiness of wooly bear caterpillar	294
reproductive cycle of <i>Quadrula nervosa</i>	277	influence of vegetation and overstory on ground-layer vegetation	323
Kansas, effect of bison stream crossings on macroinvertebrates	253	<i>Peromyscus leucopus</i> , aggressive behavior	366
growth and reproduction of <i>Ceanothus herbaceus</i>	51	<i>Phasianus colchicus</i> , range, habitat, mortality	185
Kentucky, reproduction by <i>Megalonaia nervosa</i> in a nonreproducing population	140	<i>Phoradendron californicum</i> , infection on catclaw	358
<i>Lampsilis altilis</i> , host attracting behavior	149	Physiology, plant	
<i>Liatris scabiosa</i> var <i>novae-angliae</i> , rejuvenation of leaf-senescent seedlings	212	growth responses of shagbark hickory to light patches	69
<i>Lonicera maackii</i> , colonization and growth	43	Plant genetics, compatibility in <i>Houstonia</i>	217
Maine, birds in riparian buffer strips	172	<i>Plethodon vandykei</i> group, morphometric analysis	266
Mammals, cattle grazing effects on salt desert rodent communities	1	<i>Procyon lotor</i> , growth rates and body weights	19
combustion of bison fecal pats	12	<i>Pyrrhactia isabella</i> , cold hardiness	293
<i>Cryptotis parvus</i> from Florida Keys	411	<i>Quadrula metanervosa</i> , reproduction cycle	277
forest fragments, islands or habitats	115	Reptiles, predation on <i>Trachemys scripta</i>	198
genetic polymorphism in fishers	406	<i>Senna</i> spp. comparative life cycle	381
raccoon growth rates and body weights	19	<i>Solanum carolinense</i> , fruit set and sex expression	247
<i>Martes pennanti</i> , genetic polymorphism	406	South Carolina, birds in beaver ponds	158
Maryland, ring-necked pheasant range, habitat and mortality	185	South Dakota, paedocannibal barred tiger salamanders	124
<i>Megalonaia nervosa</i> , reproduction following translocation	140	Tennessee, comparative life cycle of <i>Senna</i> spp. reproductive cycle of <i>Quadrula metanervosa</i>	381
Michigan, behavior response of spider to foraging gain	238	Texas, raccoon growth rates and body weights	19
Mississippi, bluespotted sunfish life history	345	<i>Trachemys scripta</i> , predation on	198
regeneration of <i>Drosera capillaris</i>	28	<i>Tsuga canadensis</i> , facilitated by balsam fir	391
Montana, biomass dynamics and sexual reproduction in prairie	227	<i>Uta stansburiana</i> , helminths of	204
Nevada, catclaw infected by desert mistletoe	358	<i>Vanessa cardui</i> , larval food limitation	315
cattle grazing effects on salt desert rodent communities	1	<i>Villosa vibex</i> , host-attracting behavior	149
New York, <i>Dreissena</i> siphonal anatomy	402	Virginia, fruit set and sex expression in horsetail	247
Ohio, colonization by <i>Lonicera maackii</i>	43	Volcanoes, succession at Mount St. Helens	101
nest predation in woodlots	284	Washington, succession at Mount St. Helens	101
Oklahoma, combustion of bison fecal pats	12	Wisconsin, balsam fir facilitates hemlock response of <i>Zizia aurea</i> to mowing and fire	391
		<i>Zizia aurea</i> , response to mowing and fire	373
